

20. SOLARTECH COOKERS & STEAM COOKING SYSTEMS

Solartech Cooking Systems are Cheapest, Pollution free and natural source of energy used for cooking. Solartech Steam Cooking systems are capable for making food for large number of people at the same time.

Sr. No.	Model No.	Features	Rate/Unit
a)	SDC	Fibre Body with 3/4 containers	Rs. 3,300
b)	SDC/E	Same as above but with electric back-up	Rs. 4,380
c)	SDC/D-5	Dish Type with 5 kg pressure cooker	Rs. 7,250
d)	SIC/25	Industrial Type Solar Cooker for 25 persons	Rs. 13,200
e)	SSC/100	Solar Steam Cooking system for 100 Men with solar & gas burning.	Rs. 2,31,000
f)	SSC/150	Solar Steam Cooking system for 150 Men with solar & gas burning.	Rs. 3,08,000
g)	SSC/250	Solar Steam Cooking system for 250 Men with solar & gas burning.	Rs. 3,68,500

Solartech Domestic Cooker

Solartech Steam Cooking System

21. SOLARTECH CABINET DRIER

Solartech Cabinet Driers are portable in nature and are useful for drying of vegetables like chillies, Onions, Apricot, etc. in natural environment but under hygienic conditions at a faster rate.

Sr. No.	Model No.	Capacity	Rate/Unit
a)	SCD5	5 Kg	Rs. 7,590
b)	SCD25	25 Kg	Rs. 31,625
c)	SCD50	50 Kg	Rs. 52,800

Solartech Cabinet Drier

SOLARTECH WIND ENERGY SYSTEMS

22. SOLARTECH WIND ELECTRIC GENERATOR

Solartech PV Wind Hybrid Systems can be used for battery charging, water pumping, security lighting, signal units, etc at a location where no conventional source of energy is available. It is a clean, safe, environment friendly.

Sr. No.	Model No.	Description	Rate/Unit
a)	SWEG-X	250-400 watt machine	Rs. 66,000
b)	SWEG 650	650-750 watt machine	Rs. 82,500
c)	SWEG 1500	1500-1750 watt machine	Rs. 2,09,000
d)	SWEG 3300	3300-3700 watt machine	Rs. 3,96,000
e)	SWEG 4200	4200-4600 watt machine	Rs. 5,06,000
f)	Accessories (Option)		
i)	Tower, Guy ropes, Control Cables, Foundation block, Anchor, etc.		Rs. 49,500
ii)	Battery back-up, inverter, wiring, etc. for SWEG-X & SWEG 650		Rs. 55,000
iii)	Battery back-up, inverter, wiring, etc. for SWEG 1500		Rs. 1,10,000
iv)	Battery back-up, inverter, wiring, etc. for SWEG 3300		Rs. 3,30,000
v)	Battery back-up, inverter, wiring, etc. for SWEG 4200		Rs. 4,62,000

Solartech PV Wind Hybrid System

23. SOLARTECH PV WIND HYBRID SYSTEM

Sr. No.	Model No.	Description	Rate/Unit
a)	SHWEG-X/300	400 Watt Machine with 300 Watt SPV, tower, guy ropes, controls, cables, etc.	Rs. 2,14,500
a)	SHWEG 650/600	400 Watt Machine with 600 Watt SPV, tower, guy ropes, controls, cables, etc.	Rs. 3,13,500
c)	Accessories (Option)		
i)	Battery back-up, inverter, wiring, etc. for SHWEG-X/300		Rs. 1,26,500
ii)	Battery back-up, inverter, wiring, etc. for SHWEG 650/600		Rs. 1,76,000
