

## SOLARTECH PUMP

Solartech carries a wide range of ultra reliable solar powered AC/DC pumps for your off grid needs and at the best prices in India, whether its a surface mounted or Submersible other as per your specific requirement. Some models of Solartech Submersible Pumps with their configuration are given below:

S.No.	MODEL	Solar Surface Pump		Solar Sumersible Pump				
		SP 300 Su.	SP 900 Su.	SP 1200 Su	SP 1800 Su	SP 2200 Su	SP 3000 Su	SP 5000 Su
a)	Solar Pump Model	SP 300 Su.	SP 900 Su.	SP 1200 Su	SP 1800 Su	SP 2200 Su	SP 3000 Su	SP 5000 Su
b)	Pump Specification	0.33 HP	1 HP	1.5 HP	2 HP	2.5 HP	3 HP	5 HP
c)	Rate	90,000/-	2,24,000/-	2,70,600/-	3,57,000/-	4,51,500/-	5,75,000/-	9,35,340/-

## SOLARTECH POWER PLANT (Innovative Products)

**Solar power** is the conversion of sunlight into electricity, either directly using photovoltaics (PV), or indirectly using concentrated solar power (CSP). Commercial CSP plants were first developed in the 1980s, and the 354 MW SEGS CSP installation is the largest solar power plant in the world and is located in the Mojave Desert of California. The 80 MW Sarnia Photovoltaic Power Plant in Canada, is the world's largest photovoltaic plant. Experimental approaches to solar power include concentrated photovoltaics systems, thermovoltaic devices, and space-based solar power. Solar Power Plants starting from 500 watt. offgrid to 5MW Grid Connected are available on Turnkey basis. However following are few of the Solar Power Plants to meet your normal household and commercial organisation requirement.

S.No.	Capacity	System Voltage	Solar Panel	Battery	Inverter	Controller	Rate (Rs.)
a)	5 KW	48 V	5,000 W	48V 1000AH	7.5 KVA	48V 120 Amp	13.5 Lacs
b)	10 KW	96 V	10,000 W	96V 1000AH	15 KVA	96V 120 Amp	27 Lacs
c)	50 KW	240 V	50,000 W	240V 2000AH	50 KVA	240V 240 Amp	135 Lacs
d)	100 KW	240 V	1,00,000 W	240V 4000AH	100 KVA	240V 480 Amp	270 Lacs

### TERMS & CONDITIONS

- \* **Payment** : Above rates are based on 100% Payment at the time of delivery of material before despatch. However in case of CDA payment after delivery of material because of delay in payment (credit) 5% of cost will be charged extra.
  - \* **Delivery** : Immediate from our ready stock, except in exceptional cases or in case quantum of order is big.
  - \* **Warrantee** : 1 year against any manufacturing defect.
  - \* **Transportation** : Upto 10% extra subject to your location, quantum of order and our confirmation or as per actual.
  - \* **Packing Charges** : 5% of the system cost.
  - \* **Sales Tax/VAT** : 5% VAT or as applicable at the time of delivery.
  - \* **Installation Chgs** : 10% cost extra for plains & 20% for High Altitude Areas in whichever case installation is required.
  - \* **Discounts** : The prices are subject to change. Also, special discounts at our discretion can be offered based on big order on specific items.
- Note** : 1. Material is available Ex-stock & can be lifted on any working day against D.D/Cash payment from our Works/Office in Chandigarh.  
 2. Few of the products for bulk purchase are available on DGS&D rate contract. The copy of DGS & D RC can be sent on specific demand.
